Changes at 3D InCites: The Advisory Board Gets a Reboot and More

Fourteen years in existence, 3D InCites has been through some changes, from being a basic blogging platform focused only on emerging 3D integration technologies, to the full-blown heterogeneous integration community it is today. Therefore, to better serve this growing community, we're making some changes at 3D InCites that we'll be announcing over the next few weeks, starting today.
