

**PROTEC MEMS Technology Orders Maskless Lithography System from EV Group for Advanced Memory Wafer Probe Card Manufacturing– January 26, 2024**

## Leading the Charge to \$1 Trillion, A Conversation with SEMI's Ajit Manocha

Ajit Manocha shares what it means to be a leader in the semiconductor industry over the past four decades, the lessons he's learned, and how one thing led to another to bring him to the pinnacle of his career as the head of the world's largest semiconductor association.
